## We asked if the Plan should include more facilities for younger people - your comments were exactly recorded as below

Enhanced use of current provision

Expansion of Icknield should cope with this

Fitness facilities = gym & sports opportunities

Girls football team

GYM WITH SKY TV

Improved bus services

Improved youth club nearer town. Replace town hall?

Incorporate with indoor facilities - needed to cater for increased population

Kids have been moaning for ever that not enough to do - what they need is more organisation not building

Leisure centre

Make better use of what is available

More frequent buses at least every 30 minutes - Leisure centre

More fun areas for them Rec and youth club not good enough - that's why they stay when older

More help for youth club. Saturday evening transport to Oxford. Snooker, darts and disco

More sports facilities such as gym swimming pool would be great - shared with school

More use to be made of school facilities

Needs a full time youth worker

Not sure but must cover 13-18 age group

Only if supported by appropriate organisations

Pedestrian/cycle precinct essential in town centre area - improvement in all weather pathways

Perhaps a small cinema or games centre - better facilities for youth club

PERHAPS REVAMP SKATEPARK

Running clubs, cinema group/ film showings. Vocational clubs.

Running trails outdoor circuits

Some young residents may want a social indoor space - have they been asked?>

Splash park outdoor water play area small pool for summer use

Teenage Drop in Centre or Common Room

The young have in the past had facilities in the building now used by Rainbow Nursery, that failed through lack of support. We need to look at why these ventures fail before deciding to start new ones.

There are ample facilities if the schools can be utilised. The problem is volunteers to organise and run things.

Toilet access at the park please
